A black and white photograph of a vintage portable tape recorder. The device is rectangular with a dark, textured surface. On the left side, there is a small, built-in microphone with a dark, cylindrical cover. On the right side, there is a circular control panel with a central dial and several smaller buttons. The word "TAPER" is printed in capital letters on the top right of the device. In the background, a cassette tape is shown in its white plastic case, with the word "CASSETTE" printed on it. The entire scene is set against a light-colored, textured background that looks like a wall or a piece of paper.

During the 1955-56 football season, the Irving Tigers did not come out on top according to the scoreboard; but, they succeeded in displaying good sportsmanship and fine teamwork. The students attended the games in capacity crowds and backed the Tigers all the way.

With the aid of the "twelfth man," there was radiated throughout the entire student body a proud feeling, expressing the spirit of true sportsmanship. The Tigers brought to a climax a true comeback. The will to win, and the hope for a better year encouraged the Tigers throughout the year.

Coach and Mrs. Holden at the football banquet.

Each year, the varsity football squad elects a certain girl to be their sweetheart. The girl is one who may be depended on to be at every game to give her support and encouragement. This year the honor has been bestowed upon Billye Wigley.

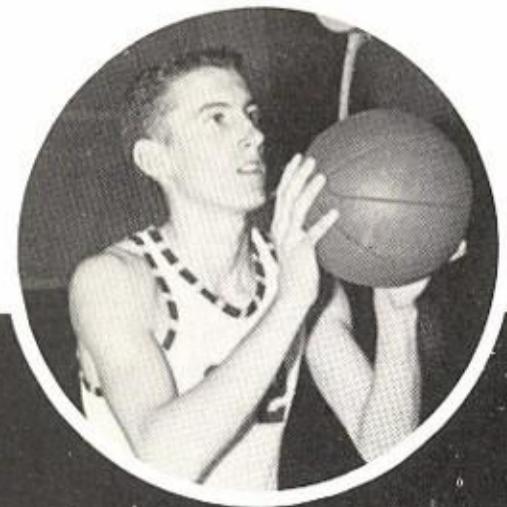

"B" SQUAD—Back row, left to right: Coach Herrin, Tommy Griffin, Dickie Gallini, Johnny Roper, Marshall Etchison, Gene Tyler, Wayne Coe, Robert Sherrill, James Evans, Grady Richey, Ed Jenson, Burl Hambrick, Billy Johnson. Second row: James Barr, Auther Beam, Phillip Carecelius, Allan Bradley, Basiel Bennett, Larry Webb, Lefty Reedus, Carl Johnston, Norman Reedus, Harold Miller, Gary Jones, Robert Hill. Front row: Billy Benson, Jimmy Osborne, Raymond Sherrill, Robert Heatherly, Gayland Pugh, Gary Crouch, Charley Yarbrough, Jack Kates, Ray Allen.

Football, whether it be designated as "A" or "B," is still the fine game of football, in which young men practice skill in running, throwing, blocking, and tackling. These give the student every chance to perfect and enjoy the conflict of the game.

This group has worked long and hard this season, both as competition for the "A" team and in their own conference.

Coach Stephens had a successful season and his basketball team sparked Irving High with their records of victories and achievements by individual players.

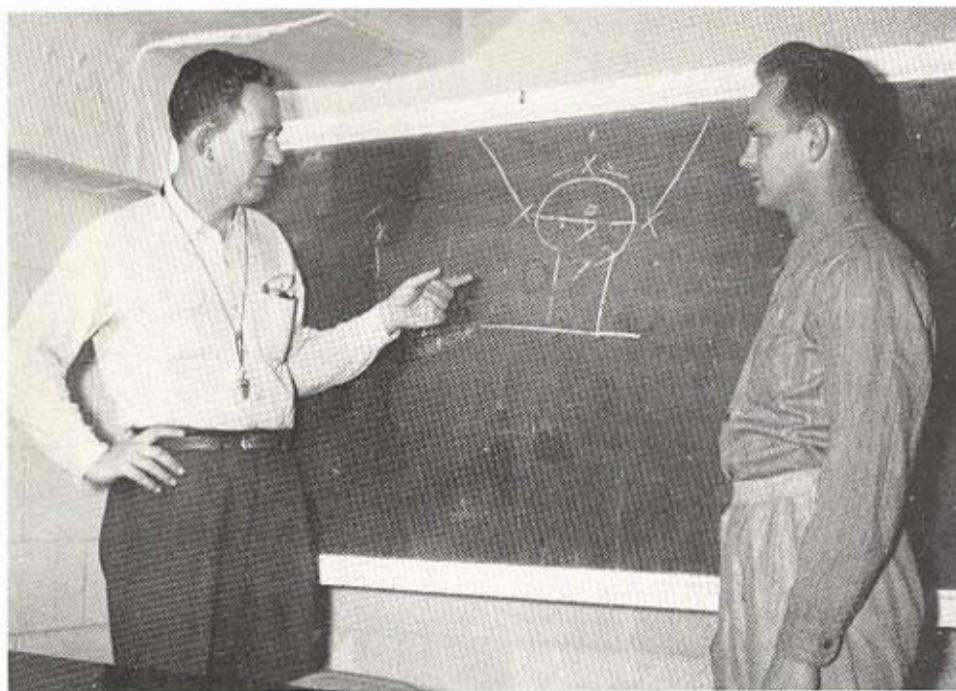

Skill in running, guarding, and good throwing made many players triple-threat opponents to those in this conference.

At the end of the service, the Irving Pres. School students, under the direction of Mrs. Clark, presented a program of numbers ranked in the order of their choir and band. Burts presented such numbers as "Wilson Wilson Wilson", "N. West Parade", "M.C.", "Memories Are Made of This", "Sixteen Tons", "It's a Pantomime", "All Current The Sequences", and "The Assembly Line". The dance was presented and closed by a benediction by Wilson Burts.

The Cheerleaders made 1955-1956 a memorable season. Their efforts helped keep our school spirit up and helped boost our teams. The head cheerleaders were Ann Fagg and Judy Riley. Others were Blanche Brown, J. Dan Caster, Sylvia Campbell, Johnny Limmer, and Billie Wigley. After football season, the cheerleaders pepped our basketball teams and pushed them many times to victory.

Tiger Rag Staff

Throughout the year the staff, and its sponsor, has felt a real pioneering spirit in bringing to the students in as accurate a fashion as possible the news of the school. Being in such close touch with all that has transpired this year has not only been a great thrill, but a grave responsibility. We have felt this, and to the best of our ability been true to our trusts.

When a choir member achieves these attributes, he has opened a new door of pleasure for himself and his audience. He has learned to use his voice correctly.

The Student Council of Irving met for the first time on November 21, 1949, since then it has become a part of district 3-AAA and has been active in its activities ever since. This year Irving was host to district 3-AAA for the spring meeting.

But with all that and this—here is your annual. We hope you like it. It has been our greatest challenge and we would like to think of it as somewhat of a triumph.

The record stands for itself, and this is the record. We, the staff, have loved every harried moment of it.

Often in the course of recording the events of a school year, we become lost in the adventure, charm, and excitement of picturing queens, kings, sweethearts, heroes and contest winners—yet scarcely giving a thought for the primal purpose of school. We build million dollar plants and hire teachers from far and near to bring, not only the three R's, but their allied fields, to our students. This is the primal purpose.

The students here pictured have lived up to their highest and finest sense of traditional education. They have given their teachers their greatest educational joys by their eagerness to learn, their conduct in class, as well as their promise. Therefore, the teachers of IHS have chosen these seniors to stand in the immortal ranks of Irving High School's Who's Who. They have no sponsor, no organization, no queen, no president—they need none.
